

Wine Tags for the Newly Weds

a year of
marriage
milestones

DURING THIS UPCOMING YEAR OF WEDDED BLISS,
THERE WILL BE MANY SPECIAL OCCASSIONS
TO SHARE A KISS.

WITH LOVE AND CARE THESE SPIRITS
HAVE BEEN SELECTED, TO CELEBRATE ALL THE
MILESTONES THAT ARE EXPECTED.

BEST WISHES TO YOU!

ENJOY THESE MOMENTS THROUGH AND THROUGH.

Marriage is an exciting new adventure. But vows say for better or worse for a reason. There will be many amazing moments, but there will also be some challenging ones. These wine tags are to remind the couple why they chose each other, commemorate the good memories & makeup through the hard ones.

Wine Tag Steps:

- Print the file on a piece of cardstock
- Cut & hole punch the tags.
- Choose a decorative ribbon to tie your tags to your wine bottles.
- Buy 6 different bottles of wine and add the labels.
 - I try to buy wines relevant to the tags if I can, like **19 Crimes**: First fight, **Non Alcoholic Sparkling** First baby

Personalizing It:

In addition to the wines, I add other things from their registry and make [personalized honeymoon couple swag](#) or [Mrs. Lingerie](#) to a nice, reusable basket. I then arrange everything nicely in the basket, add one of my [personalized DIY cards](#) and give it to the couple just like that. It's so beautiful and fun to display as is that there is no need for wrapping.

Personal Note:

Ours were so special to us. I still have them saved and remember when we used them. I used *Our First Baby* to announce to Neal that I was pregnant. And we brought *Our First Anniversary* bottle on the most romantic weekend getaway that I will always cherish.
